REMARKS

The indication that prosecution on the merits is closed and that all claims are allowable is appreciatively noted.

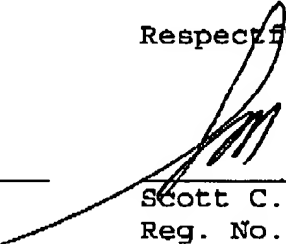

Corrected drawings are attached. A brief description of the new figure 8 is also added.

This should render all claims allowable, but if any issues remain after this rejection, the examiner is encouraged to call the undersigned at the below reference telephone number in an attempt to obviate these rejections.

No fee is believed to be due, however, please apply any applicable charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,
